www.OurAccountingService.com

Principals: John Grippo, David Beyth and Mike Morris

Who we are...What we do

- We remove the burden of accounting
- We provide all bookkeeping services on a remote basis
- We file the document images in a secure paperless office file cabinet
- We link the document images to the financial statements
- We free you to run your business; you no longer need to function as a CFO
 - You still approve all disbursements using electronic workflow
 - Instantaneous access to all accounting documents
 - Can view any financial statement transaction with a mouse click
 - Immediate availability of financial statements

Our Accounting Service, LLC

- Principals have combined 60 years of Accounting experience – Public and Private
- Quickbooks based accounting system
- State of the Art Paperless Office Software
- On site training with follow-up at your request

Our Accounting Service, LLC

Key Benefits:

- Drive Organizational Efficiencies to yield financial savings
- Enhance Financial Management Capabilities
- Exit the HR Treadmill
- Convenient and Timely Financial Statements
- Enhanced Security and Governance

Bottom Line Result:

Worry and hassle-free bookkeeping and accounting

Our Accounting Service, LLC

What Does it Cost?

Our pricing structure is simple to understand:

Our bookkeeping fee is no more than the base price of your current bookkeeping staff – you save the cost of all payroll taxes and benefits while receiving CFO quality service
